EXPERIENCING GOD

April 19-20 2024

EXPERIENCING GOD

Some of the struggles and trials we have been exposed to this last year have been extra heavy and overwhelming. Seeking and Discovering God's presence and voice may be extra tough. Over this 24 hr period, we will be providing ways to do that.

TIME TO GET AWAY

As the end of school year rapidly approaches, there are tons to do and get done and there are additional pressures and questions. Sometimes we need to purposely make some time to pause, to reflect and to focus. Sometimes we need to get away to a fresh space in order to clear our perspective. We will be staying at a site in Muncie, fairly close but far enough removed to be able to get that perspective. This is also to help keep the cost low.

EVENTS AND ACTIVITIES

During our time together, we will have times of discussion, games, some activities and learning. There will be an indoor heated pool so participants are invited to bring their swimsuits.
